

Make a MP AI

What we are going to do:

I know it took me a while, but w/the help of DeathPool, I got it done! Thanx man!

Get Going!

Okay, all u have to do is do the [SP Ai tut.](#)

Then save your map under "mohaa/main/maps/dm"

Compile your map as a multiplayer map!

And the key part is this:

Download this .pk3 and put it in your mohaa/main folder!

IMPORTANT. if you use this file, u must pak it w/your final map!
